

November 2023

I-GLOCAL CO., LTD.

**Announcement: Acceptance of Japanese Yen for payment of
I-GLOCAL service fees and transfer of payment on behalf amount**

We, I-GLOCAL would like to take this opportunity to express our gratitude for your continuous support and business with us.

By this notification, I-GLOCAL would like to inform that we have established a corporation with OCB (Orient Commercial Joint Stock Bank)、TPB (Tien Phong Commercial Joint Stock Bank, enabling us to receive Japanese Yen (JPY) for the payment currency of our professional service fees as well as the resource of payment on behalf (POB) of Personal Income Tax.

Back in June 2021, we announced limitation of currency in response to the increasing strictness of regulations governing the use of foreign currencies within the territory of Vietnam. At that time, we stated that our service fees and POB amounts could only be transferred in Vietnamese Dong, and to our VND bank accounts at one of three Japanese capital banks (Mizuho, SMBC, and MUFG).

However, we have recently received confirmation from OCB, TPB that it is possible to receive the payment in JPY. Therefore, we would like to start receiving payment in Japanese Yen to our JPY account at our OCB, TPB bank account. Shortly our request for payments and payment instructions for PIT amount will show the amount in VND as well as JPY which is converted at the time of issuance of request for payment. As a result, for remittance procedures on the customer's side, remittances can be made in Japanese yen.

We would like to show our gratitude for each of our client for the patience over the past two years regarding the above-mentioned remittance procedure. For actual implementation, please confirm with your bank about application of this changing in payment method in advance.

Thank you for your continued support and trust in I-GLOCAL. We are committed to providing you with the best service possible.
